History repeats itself, the scholars say; therefore, the music so popular in 1925 returns today, only with a new twist, as the yearbook theme symbolizing the decade of the 80's.
The beginnings are today at Lake View, but the best of life is yet to come in fact it's Just Around the . . .

Mock Weddings Staged

The Home and Family Living classes put a lot of time, effort, and planning into producing mock weddings. Along with the roles of bride and groom, students were assigned roles such as minister, parents of the bride and groom, attendants, and ushers.

In order to make the weddings authentic, students were also assigned to make invitations, borrow wedding dresses, prepare the reception, and to take care of the other details pertaining to a wedding.

Mrs. Beverly Nevins stated that the purpose of the weddings was to learn a few social skills such as the duties of a wedding party, how a guest should act, and to show the expense of a wedding.

Homecoming Burns Bright

Homecoming week set the students on fire. School spirit ran throughout the whole student body while Student Council set the pace. Posters were hung high and low. Chants could be heard from one end of the building to the other.

From Monday through Friday activities were set. Every day costumes of the students and teachers were judged and individuals won prizes.

The car caravan started the activities for Thursday. Decorated floats led the way the bonfire. Ron Bly and Lavonne Cauley were named Mr. and Miss Flame.

Duchesses Honored

Seven Seniors were elected by the student body for this year's Homecoming Court.

The clock ticked away the last few seconds before half-time while the duchesses were waiting to be introduced. As the duchesses walked onto the field the crowd was filled with anticipation to find out who the new 79-80 Homecoming Queen would be. The crowd roared and cheers went up as Lavonne Cauley stepped forward to take the reign of Homecoming Queen.

After the game there was a dance in honor of the duchesses. They were presented with necklaces instead of the traditional tiaras.

Costumes Part Of Week's Fun

Spirit, crazy costumes, and dancing students were all a part of Homecoming week. Students and teachers wore costumes from the past and costumes with futuristic ideas. Some of the students performed a gunfight on Cowboy and Indian day. On Thursday everyone wore black to mourn the death of the Snyder Tigers.

The classes competed for a football by buying spirit chains that were sold by DE. The senior class won and the football was presented to the senior class officers at the dance.

Homecoming was a week of work for the Chiefettes. They practiced hard on their routine that they were to do at the pep rally Thursday and at halftime Friday. They performed this routine to the song "Le Freak."

'The Rose' Takes First

Loud music, crazy costumes, and an enthusiastic crowd were all a part of the pantomime show. This was the first year that speech club held this type of show.

This show consisted of students and teachers pantomiming their favorite songs. Bobby Hart was the emcee and Roger Brown added to the show by singing his hit record "Michelle."

First prize went to Tammy Cortese for her imitation of the "Rose" while second place went to Julie Yonan and Paula Young for their version of "Enough Is Enough." Tommy Barler and Craig Bobo captured third place with their performance of "Rubber Bisquit."

IN CHILDREN'S THEATRE

Heroes Triumph, Again

Is it a bum? Is it a plane? No, it's Superbrain! The drama class presented a Superhero play to local elementary schools this year, "May the Farce Be With You."

Mrs. McDonald, owner and manager of a health spa, called on help from Superbrain, Wizard Woman, and the E.I.E.I.O. Someone had kidnapped the kitchen staff of the health spa. A new kitchen staff was engaged to work at the health spa. The new kitchen staff had done the kidnapping. They had come from the planet Inferma and planned to take over the world. As one might expect, the superheroes saved the world.

Students in the drama class performed plays to raise money for their trip that takes place at the end of the year.

Ogle Makes It a Country Christmas

Christmas, a time of good will toward men, and women, a time of harmonica playing and crazy skits. That was Christmas '79 at Lake View. Mr. Willard Ogle, math teacher, provided some foot stompin', hand clappin' harmonica blues. Class skits were presented with first prize going to the Juniors for their version of "Roseanne Roseanna-danna's Christmas Report." Seniors won second, Sophomores third, and the Freshmen were whistled off stage for exceeding the time limit. Mark Haley and Terri Holster were named Mr. and Miss Spirit of Christmas.

"We, Class of 80"

We conquered and
We grew
We thought
and We knew.
We grew older
and achieved knowledge
We opened the book of
life and added another
page.
We were there
and We saw.
We made our goals
And learned to get up
when We fall.
We pushed for more
and We got it too
We did more
than once knew.
We made scrapbooks
to hold all the past
the years of Lake View
so that our memories
will last
. . . We as Class of 80.

There's a Pro on the Team

By Brenda Blake
Staff Writer

It's true. This year the Chiefs had a professional on the team. Well, maybe not actually on the team, but he was a big part of it. By now everyone has probably heard of Mr. Jerry Francis. He is the pro being spoken of.

A professional karatist originally from Columbus, Ohio, he is currently residing in San Angelo and has karate schools here, Eden, Brady and in Menard. At his schools he teaches conventional and full contact karate.

Mr. Francis became interested in the school through his association with a Lake View student.

"Pete Smith is a friend of mine and I started out just going to his afternoon practices. I was at the school one day and decided to go in and introduce myself to Coach Slaughter. After I did, he invited me to come to the practices and also said that I could use the facilities here," stated the pro karate artist.

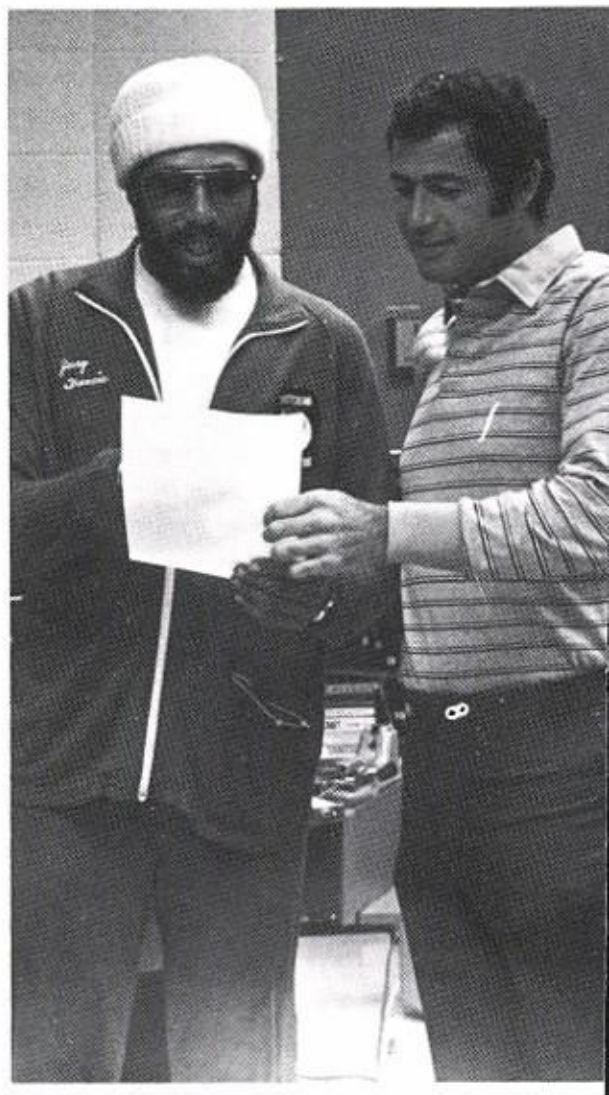
He thought that was a great idea because he loves to be around young people, so he decided to take Coach Slaughter up on the offer.

Mr. Francis commented, "Some of the guys on the team asked me to ride with them on the bus to the Brownwood game. I was really flattered. Coach Slaughter said he liked it, too."

He went to that game and all of the other games. Mr. Francis was a part of the team this year and he said that he would be next year, too.

Once a professional basketball player with the Cleveland Cavaliers and then the Boston Celtics, Mr. Francis graduated from Columbus West High School and Capitol University, both in Columbus. He is now fighting professional full contact karate and is rated ninth in the world. He is a third degree black belt and has traveled extensively around the world fighting matches.

Mr. Francis added that next year he would "appreciate a few of those hugs in the locker room."



Page 50: 1. Mr. Francis and Coach Tom Fambrough are discussing new plays for a game.

Dog Day Afternoon At Lake View

By Cindy Kaiser
Staff Writer

Every school has its "Mr. Cool," someone who's top dog on campus, a super stud, if you know what I mean . . .

"If I can make my way through all his fans and admirers I'll try to get a few words from the magnificent, aristocratic Balfour Taylor known to his friends as just Balfour.

"Excuse me, may I have a few words with you? Would you care to tell us a little bit about yourself and your heritage? I see . . . you came from a long line of champions. Now we know where your good looks come from! You are obviously an executive, with the Balfour Company named after you, so what brings you here to our school? A yellow Olds? Yes . . . of course (smart aleck dog). It has been rumored that you are an expert on fine foods, would you care to tell us what your favorite is? . . . Kentucky Fried Chicken livers . . . Of course I believe that you and Colonel Sanders are best friends. I'm not about to argue with someone who has jaws like yours.

"What do you do in your spare time? You go boat riding in your blue jet boat. That sounds exciting. (I just hope he doesn't fall off, with his big head he'd never be able to swim.) In closing, do you have any last words? NaNu NaNu to you too."

"Well, there you have it folks, a typical character found here in the halls of our humble school. I just hope his yellow Olds wasn't illegally parked."

Sophomores Show Spirit

"SOPHOMORES! YEAH! STAND UP AND CHEER, LET US KNOW YOU'RE HERE . . ." Don't those words sound familiar? If you're a sophomore, those words express all the hard work, excitement, participation and support of the Chiefs that was put into this year.

Spirit. A magic word. It played a very important role this year. For the sophomore class it meant a time of unity. Whether it was battling for the spirit stick, painting the class sign or planning the Christmas skit, the sophomores made their spirit shine.

"I think we have the most spirited class ever. I've never seen a class so willing to participate in a school activity," says Jeanine Cahill, sophomore.

Billy Kirtland views the sophomores as a "super class with a lot of spirit."

The feeling of spirit and togetherness seem to describe this sophomore class rather well. Besides, there's still more years to be a part of the mighty blue and white . . .

"We're the BEST, you know it's TRUE, the SENIOR CLASS OF 82."

Half The "Problems" Double The Fun At 2001

by Christy Harris
Staff Writer

Get on down and dance, dance, dance! This is the scene of things on Friday and Saturday nights at San Angelo's 2001 Club.

Also on scene at the club are a lot of Lake View's freshman class. Game tables, loud music, and crazy lights make a perfect setting for fun every weekend.

The club helped in bringing

students from all schools together. "2001 is a good place to go to meet kids from the other schools around town," stated Duffy Martin, freshman. "I really enjoy it."

The club provides a "disc-jockey," and a variation of music is played during a night. "They play all the latest disco, pop, and country music," remarked Stella Galindo, a regular at the club.

The club has a bar which serves soft drinks only, and dance contests are held at times during a night.

Over eighteen is not permitted, which is quite a change from the other night spots in town. "Parents are encouraged to come in and look around if they'd like, "stated Jerry Bristo, vocational counselor at Lake View and manager of 2001.

There is an entrance fee at the door, then it's time to boogie on into the night from 1 p.m. until 1 a.m. "But once you go out the door, you have to pay to get back in," stated Bristo.

The mayor and the city commissioner came up with the idea for the club as a way to keep teenagers off the streets at night. "Since 2001 opened up, teenager's problems with the law have curtailed tremendously," exclaimed Judge Allen Gilbert, a chaperone at the club.

Three police officers and several school teachers from Lake View and Lincoln are always on hand.

It all gets wild and crazy in the 21st century at 2001. Get on down and dance, dance, dance!

Teaching a student a subject while trying to show that you really care about each individual is a hard job. We, at Lake View, should be proud of the fact that this and much more was accomplished by members of our . . .

Faculty

Board Directs Policies

Budgets and school issues were only a part of the tasks taken on by the San Angelo School Board.

The members of the school board directed the San Angelo Independent School District toward a more quality education for students in the schools. One program approved by the board was the five-year plan which is designed to upgrade education especially in the language art skills.

Under-wood Teacher of Year

Who's that crazy woman in the English department? You know, the one that wears the wild clothes and makes all the funny noises? It's Carolyn Underwood!

Each year the students select their favorite teacher, and this year Mrs. Underwood was chosen for the honor. In her five years as an English teacher, she has taught two years here, and has been the Student Council sponsor for two years.

"The first time I came to Lake View as a substitute, I truly fell in love with the student body," said Mrs. Underwood.

"It has been an enlightening, fulfilling and challenging experience. Being honored by the student body as "Teacher of the Year" is significant only if I am a teacher. I work hard to be. I hope I am."

With her zany antics and warm caring personality, it's easy to see why . . . Carolyn Underwood you're Teacher of the Year!

Super Cops!

Of all the new faces, two really stood out: the faces and uniforms of Sparks Burdett and Donald Barron. These were the two policemen who patrolled our parking lots, chased vandals and assisted the administration in controlling violence.

Officer Burdett worked the first half of the school year. A Lake View ex himself, Burdett explained that the school hasn't really changed . . . just the students and how they respond to authority.

Officer Barron, a Viet Nam veteran helicopter crew chief known as a "Flying Mechanic," said that police work is not nearly as glamorous as portrayed on T.V. Barron spends his time on the night shift dusting for fingerprints and taking pictures at the scene of a crime. Himself a high school drop-out who went back, Barron's advice to students is, "Stick with it!"

Chiefs Take Del Rio Win

Senior safety Mitch Lane said it best, "We're going out tonight and make some history." Lane's statement came just before the Brownwood clash, but his comment put into perspective the season for the Chiefs.

The Tribe's first contest didn't make any history, but it left them riding high as they downed the Del Rio Rams in a 25-0 rout.

The state-ranked Tivy Antlers and their premier running back Joe De La Cruz came to Lake View stadium for a rematch of last year's mis-match. Things were different this year, not only were the Chiefs ready for Tivy, but De La Cruz found the "grown-up" defense of the Big Blue was ready for him. The Chiefs held De La Cruz to 94 yards on the night with most of that coming in the first half. Despite an admirable performance by both the Tribe's offense and defense the Antlers squeaked by with a 15-15 win. The deciding points came on a desperation "hail mary" pass by the Antlers on a blundered extra point try in the first half.

Coach Jim Slaughter's troops came into the Lubbock Dunbar contest highly favored. Some people thought the Chiefs might be looking forward to next week's bout with 3-A powerhouse, the Brownwood Lions. However, the Panthers found the Chiefs with their heads in the game and the ball in their end zone all night.

Senior running back Mike Doyle led the rushing charge with just under 200 yards and four touchdowns on the way to a 41-0 drumming of the Panthers.

The scene: Sept. 28, Centex Stadium, Brownwood.

The headlines read: "It's a First." And it certainly was; you might say it was a night full of firsts.

The Chiefs had finally done it; they had beaten Gordon Wood's Brownwood Lions, 3-0.

Offensively the Tribe sputtered, but made few mistakes. The one time they did get on the track came late in the first half, and put the foot of sophomore Derrick Rushing in the LV record books. Rushing's 28 yard field goal didn't seem so special at the time, especially to Coach Jim Slaughter.

"We felt like we'd have to score again. We didn't start thinking the three points would win it until the fourth quarter," he said.

Houston's Northwest Academy Blue Devils, a last-minute addition to the LV schedule, were averaging 500 yards offensively going into the joust. They found the battle weary defense of the Chiefs not so obliging as they powdered Northwest 42-21.

The night of LV's miracle touchdown will continue to be a topic of football conversation for many years to come.

The Ector Eagles were leading the Chiefs 7-0 with seconds left in the first half, when quarterback Ron Bly lofted a pass into the end zone in the general vicinity of Chieftain receivers Jimmy Marsh and Mike Doyle.

The ball was tipped, juggled and finally landed in the arms of Doyle as he crashed into the retaining fence at the back of the end zone.

Lake View fans went wild as the officials hands went up signaling a touchdown. Ector fans stared in disbelief. How could Doyle have scored?

The second half was no miracle though, as the Chiefs downed the lightening-quick Eagles 18-14.

Snyder Falls in Loop Opener

In the Chiefs' loop opener against the Snyder Tigers, Lavonne Cauley was named homecoming queen and Mike Doyle was named official battering ram.

On nine straight carries Doyle crashed into the Snyder defense and on the ninth he hit paydirt, giving the Tribe all they needed in a 6-3 victory over the defending district champions.

While Doyle was pounding out yardage, senior halfback Eddie Taunton put on a show of his own, making key plays. Taunton saved a possible Snyder touchdown by picking up a blocked Randy Marsh punt and scampering to a Chieftain first down.

Tribe Clinches District Race

District play for the Chiefs was downhill from there on as the Tribe rolled up three consecutive wins to clinch LV's fourth district title.

First came Brownfield where the Chiefs had a tough time in the first quarter, but subdued the Cubs, 34-9.

San Angelo Stadium was the site of another bit of Chieftain history — their first victory ever in that stadium came in a 34-6 squelching of the Sweetwater Mustangs. The victory also clinched a play-off berth for the Tribe. Mike Doyle was injured in the first stanza, but not before he broke the 1000 yard mark for the season.

The Lamesa Golden Tors could only hope to be spoilers in their 1979 season finale with the play-off bound Chiefs. The Chieftains weren't to be denied the district crown as they blew out the Tors 38-0.

Chiefs Nab Bi-District

P.E. Shotwell Stadium was the site of the Chiefs bi-district slugfest with the Burkburnett Bulldogs.

The Tribe capitalized on three Bulldog mistakes in the third quarter to insure themselves a quarterfinal berth. The 9-6 victory put the big blue in the annals of Chieftain history again as the first team ever to advance into quarterfinal play.

Estacado Stops LV In Play-Off

The Chief's season ended on a cold windy night in San Angelo Stadium at the hands of the Lubbock Estacado Matadors, 21-7.

The lightning Quick Matadors were held by the Chieftain defense in the first half and the teams headed into the fieldhouse in a 7-7 deadlock. The Chiefs drew first blood, but on the ensuing kickoff Estacado's Jerry Gray romped 93 yards to tie the game.

The second half saw the Chieftain offense sputter and the Matadors put in 14 unanswered points.

Amidst teary-eyed fans and players the Chiefs of 1979-80 went down in history.

The all-district roster this year looked like a Chief starting line-up. Sixteen of 28 picks were from LV with 10 of those being unanimous choices. Coach Jim Slaughter was selected by every league vote as the coach of the year.

Also heading up the list were Robby Cornelius and Joe Bible, named as two-way starters; Cornelius as running back — line backer and Bible as lineman.

Randy Marsh, 250 lb. senior nabbed double honors as the district's top punter and also unanimous at defensive tackle.

On the district's best offensive team, center Barry Untermeyer, guard Tommy Barler and tackle Bible, all seniors, were unanimous picks as linemen. Guard Lester Bridges was also a top selection.

At the specialty positions quarterback Ron Bly and running back Mike Doyle topped all ballots. At wide receiver Rex Ford grabbed the top spot. Cornelius rounded out the offensive honor team as running back.

On defense, Lake View's entire front four shined as all-star players, with senior tackles Randy Marsh and Scott Marecek hogging all votes. Defensive ends Pete Smith and Bible also make the squad.

In the secondary half-back Greg McCall and Eddie Taunton made the all-league squad.

All West Texas honors were bestowed on an all senior squad consisting of flanker Rex Ford, running back Mike Doyle, Linebacker Robby Cornelius and linemen Randy Marsh and Joe Bible. Doyle and Marsh were also selected to the All-West Texas super team.

Maids Start Season With Miles Win

Starting out the year with a victory not only gave the Maidens a promise of a good year in basketball but also got them off on the right foot toward a winning season.

Miles and the Maidens traded the first two games of the year with the Maid's taking the first 59-51 and Miles returning the favor 57-56.

Wall was next on the varsity list downing the Hawks 66-56. Brownwood followed taking a 48-65 defeat.

Sonora hosted this year's first tournament for the Maidens and other surrounding teams including Odessa Ector, Ozona, and Brady.

The Maids turned up Consolation champions after falling to the Ector Eagles 55-53 in the first round action.

Junior Lynda Rogers, posted the game's high point with 19 on the night. Cindy Gotl and Terri Eaton, both seniors, followed closely behind adding 13 and 12, respectively.

Roundballers Race Past Ozona 45-37 in Tourney

Working to better their tourney record pitted the roundballers against the Ozona Lions where Eaton posted 46 percent of the total 45 points for the varsity with 21 and Rogers popped the net for 11. Ozona could muster only a 37 point tally.

Winding up the competition, the Maidens handed the Brady Bulldogs a 60-16 casualty.

Once again, Rogers wound up on top of the scoreboard with 19 points in her favor and Gotl contributed five baskets of her own.

Midland Lee squeaked by the Maidens after the Sonora Tournament handing them a 54-51 deficit.

Maids Nab Top Honors at C-City

Colorado City was the biggest tournament for the Maidens this year taking first place over Post and host, C-City. The blue and white tip-toed by the Post Antlers with a 42-40 decision. This time Gotl topped the charts with 15 and Eaton followed with 12.

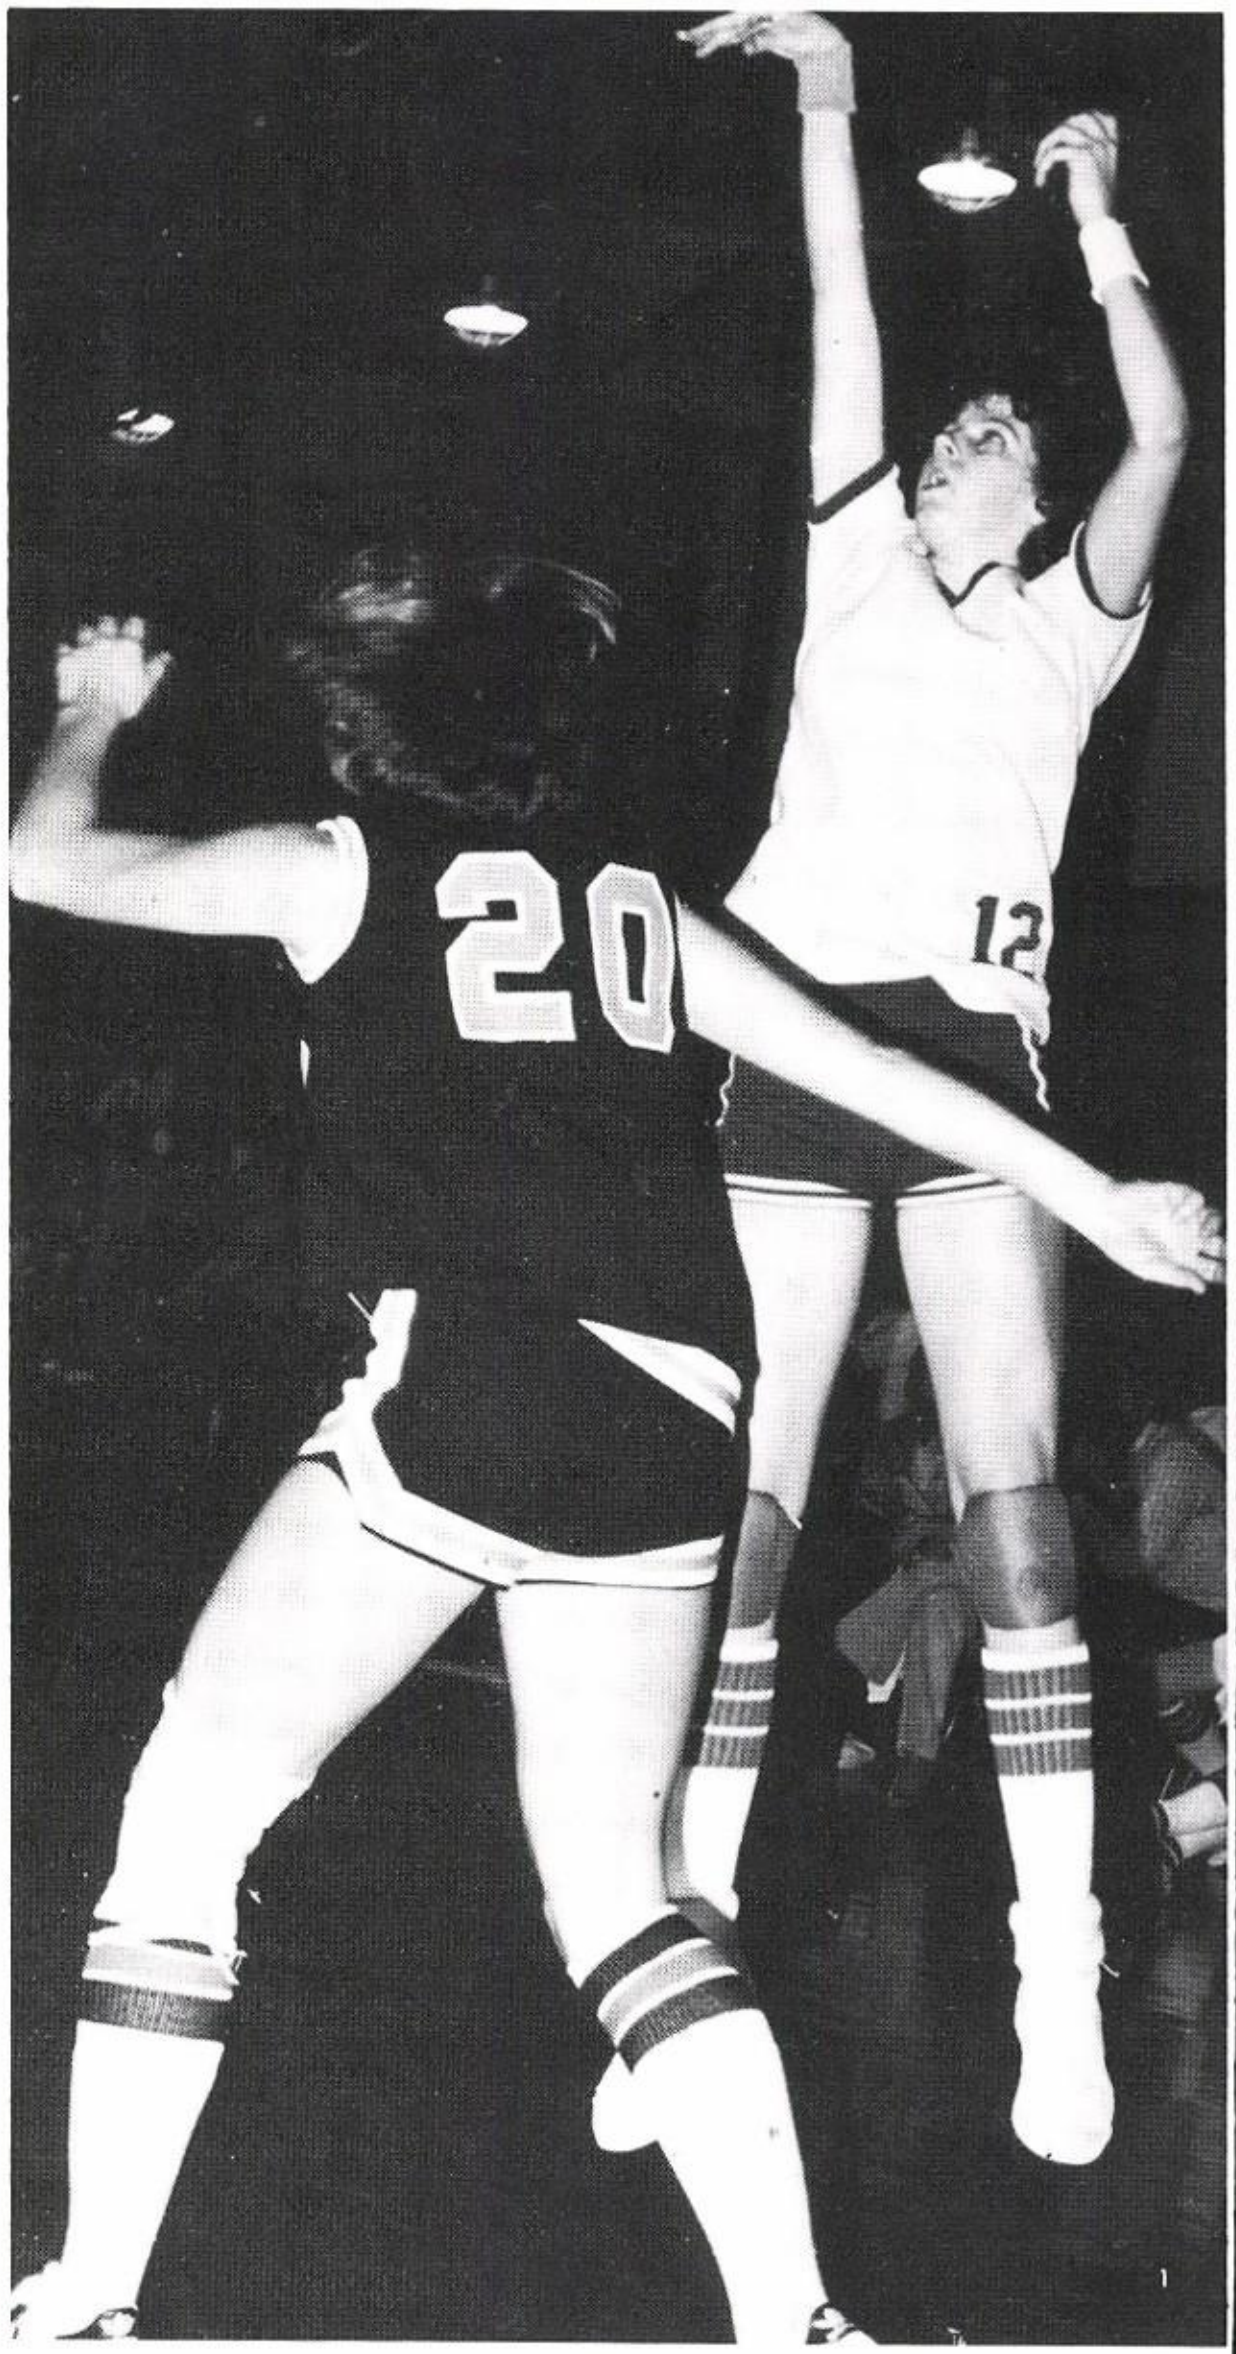
C-City assured the Maidens of the championship by dropping the game 57-23. Amy Abbot, senior, took the lead with 20 points and Gotl added 18 to the list.

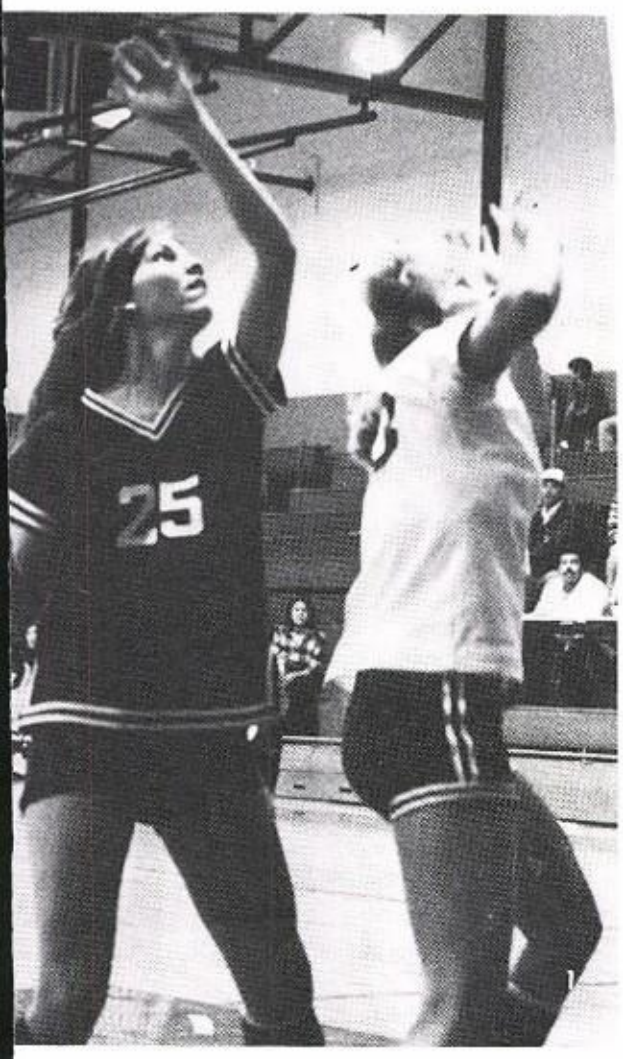
Coming off the Colorado City tourney, the Maids "just outplayed" the Stanton Buffaloes routing them 50-28.

Colorado City Bulldogs met defeat for the last time against Lake View, 56-37, at the 30th Annual Maidens' Tournament. Monahans also met theirs, falling 41-36.

Gotl took the high-point honors in both games posting scores of 23 and 19, respectively.

Lubbock Montery handed the Blue and White their only loss of the tournament 68-54. Lynda Rogers scored a season high 26 points in the contest.





Bronte Overrun 47-42; Cagers Top B'wood 56-31

Another team fell to the roundballers in varsity action at home where the Bronte Bulldogs were overrun 47-42.

Brownwood tried to return the favor after losing once earlier in the year but failed to make a comeback as the Blue and White Cagers tripped the Lions 56-31. Senior, Cindy Gotl contributed 40 per cent of the score, stacking up 22 points.

With only eight players to choose from the Ector Eagles fell on the scoreboard as well when the Maidens topped the Birds 46-39.

Hitting for 50 per cent of their free throws compared to 25 per cent, the Maidens used this advantage to defeat Sonora 49-38 in their last game before district play.

S'water Slips By 55-53 In Maids' Loop Opener

Sweetwater succeeded in sneaking by the royal Blue and White in the first district basketball game for the girls.

Moving into overtime, with the score standing at 53 apiece, Lavonne Cauley, Cindy Gotl and Lynda Rogers shared the high score spot with 11 strikes for each.

But it was all for naught as Sweetwater was the only team to produce a basket in the 3 minute allotment, going ahead in district play 55-53.

However, the maidens came back a week later and took complete control of the Lamesa team, dropping the Golden Tors 60-28. Gotl, once again found her way to the high spot scoring 21 points on the night.

Snyder, as usual a tough district foe, was just not quite tough enough as the varsity roundballers edged them 57-55. Twenty points for Gotl and 2-1 for the Maidens.

Snyder Takes Away District Crown

Gotl and Rogers again rounded out the top of the list with 14 points against the Brownfield Cubs with a 44-40 verdict.

Next, Sweetwater topped the Maids 63-57 with Lynda Rogers tipping in 22 points.

The roundballers downed the Golden Tors again 76-24. Everyone on the team scored on this go-round, but Patti Floyd, Terri Eaton and Rogers shared high point honors with 10 apiece.

Again, Brownfield couldn't quite make the cut against the varsity falling 64-43. Gotl scored 20 points against the cubs.

Snyder wasn't quite so tough this time as the Maids topped the Tigers 56-50. Rogers did the honors with 21 points and the Blue had a 6-2 district standing.

Upsetting the Maidens district crown for the first time in seven years was the objective of the Snyder Tigers in the last district game of the season. And they did. After a three minute overtime the Tigers came out on the winning end, 46-44.

High point for the Maidens was again Lynda Rogers and the girls closed out the season with a 27-7 record.

OVER IOWA PARK

Chiefs Open With Win

Opening their year under the shadow of an extended football season, the Chieftain roundballers began their play in the Sweetwater tournament November 23-24.

The Chiefs began in the tournament with a victory over Iowa Park, but fell to Abilene Christian High 55-50, and to Lamesa 45-39.

The Chiefs soon balanced their record 2-2 with a 52-23 mauling over Eldorado, Nov. 27.

Colorado City and Fort Stockton were the next victims in the Chiefs' Challenge Tournament falling 71-49 and 55-47, respectively. They then fell prey to Andrews 86-60, but still took second place in the tournament.

Big Lake handed the Chiefs a 40-38 defeat December 14, which balanced the Chiefs record to 4-4.

The Chiefs traveled to Colorado City Dec. 7-8, and won their first tournament since 1974 with victories over Snyder J.V. 68-48 and Colorado City 72-64.

Two victories in the Colorado City Tournament which was the Chiefs first tournament championship since 1974, raised the team's record to 6-4.

The tribe then added another victory with a 66-45 win over Stanton. Charles Clemons poured in 22 points for the Chiefs and Stanley Laing and Greg McCall each added 16.

Big Lake soon halted the tribe's advance with a 44-41 upset. Laing was high pointer with 14 and Clemons followed with 13.

After losing to Big Lake, the Chiefs gained revenge against Bronte. Clemons repeated his performance against Stanton by pouring in 22 points to lead the Chiefs to a 62-55 victory over the Longhorns. Laing was also in the top scoring bracket with 12 and Greg McCall and Dwain Medders each dropped in 10.

Ozona Falls Twice to LV

With only three games left until the district opener against Lamesa, the Blue Crew prepared themselves with three successive victories in the last three pre-district games. The roundballers gained victories over Ozona twice, and once over Eldorado.

In their first victory over Ozona, the Chiefs dumped in 72 points over Ozona's 55 to up the Chiefs' record to 9-5. Charles Clemons and Stanley Laing were once again the Chiefs' leading scorers. Clemons had 15 followed by Laing with 14.

Repeating an earlier 52-23 win over Eldorado, the Chiefs showed some mercy this time winning by only a 10 point margin, 59-49. Clemons broke his previous high score record of 25 and gave the tribe almost half of the game's points by dropping in 26.

The Chiefs then appeared to be getting ready for district play as they closed non-district action with a whopping 82-39 mauling over Ozona. Clemons and Laing once again proved their scoring abilities adding 19 points each. Boone Kiser added 13.

The Chiefs went into district with an 11-5 record.

Hope of District Trophy Dashed

The Chiefs ended non-district play and went on with hopes of possibly winning the district crown.

But this year's district competition was not a repeat or an improvement over last year's record for the tribe. The Chiefs lost their district opener by a 50-48 count in a tough overtime game against Lamesa.

A 48-36 loss to Snyder and a third district loss to Brownfield by 57-44 continued the Chiefs' district losing streak. Charles Clemons led the scoring in the Snyder game with 13 points and scored 14 in the Brownfield game behind Stanley Laing with 15.

Sweetwater left the Chiefs in last place after the first half of district play handing the tribe a 63-58 defeat.

As the Chiefs left the first round of district play with a dismal 0-4 record, they looked forward to a more successful second half. The team had hopes of possibly winning the second half to share the district championship with the first round winner, Snyder.

The Chiefs' ray of hope however was dimmed by a tough 33-32 loss to Lamesa. It was the tribe's second district loss to the Tornadoes with a two game point spread of only three points. Clemons was high point for the Chiefs with 13.

Brownfield handed the Blue Crew its sixth district loss. The tribe lost by only two, 55-53. Clemons scored his highest game total for the season against the Cubs, running up 29 points.

The Snyder Tigers had no intentions of losing their first place standing as the Chiefs fell to them 54-48.

Although the Chiefs had lost all hope of a district crown and held a disappointing 0-7 district record, the tribe refused to bow their heads and ended their season in style.

The Chiefs gained revenge from an earlier loss to Sweetwater, and handed the Mustangs a 60-52 defeat. The Chiefs closed their season on a positive note, with an even 12-12 record, looking forward to next year.

Girls Track Involves Time, Effort

Run fast, jump high and work, work, work. This was seen this year on the track field as the varsity and freshmen track girls prepared for the season.

A lot of hard work, effort, and plenty of team spirit was put out as the girls participated in non-district, district meets and then onto regionals and state.

According to one member of the team, all of the hard work and suffering was made worthwhile by the feeling that is felt when you win.

Tracksters Run, Jump to Compete

Hurling weights, flashing batons and undenying team effort are characteristics of the hot, rough track season.

Young Chieftain tracksters complete weeks of training and soreness to take on rough competitors. Several crews within the track group are weight men, sprinters, hurdlers, and high jumpers. Others include distance men, pole vaulters, broad jumpers, and relay teams.

Tripping, falling, and defeat will be memories that one will never forget, but proud Chieftains will remember the many hours of laughter and communication spent on the long bus trips.

On your mark . . . get set . . . GO . . .

Some eight girls and eight boys were on the tennis team and were entered in tennis meets at Lamesa, Snyder, and Big Springs, as well as the district meet.

Student Council

The Student Council set some new goals this year and strived to reach them. "Following the trend of the nation, we found that we had been prolifigate in our spending and that there was much we could trim back on and still leave substance and meaning for the school year," stated Mrs. Carolyn Underwood, S. Cheerleaders Begin New Trend

The Varsity Cheerleaders began preparing early this year by attending camp in June at Cisco. They also began selling ads for line-up programs this year in order to begin a fund to buy uniforms, which will be passed down by the school to future cheerleaders.

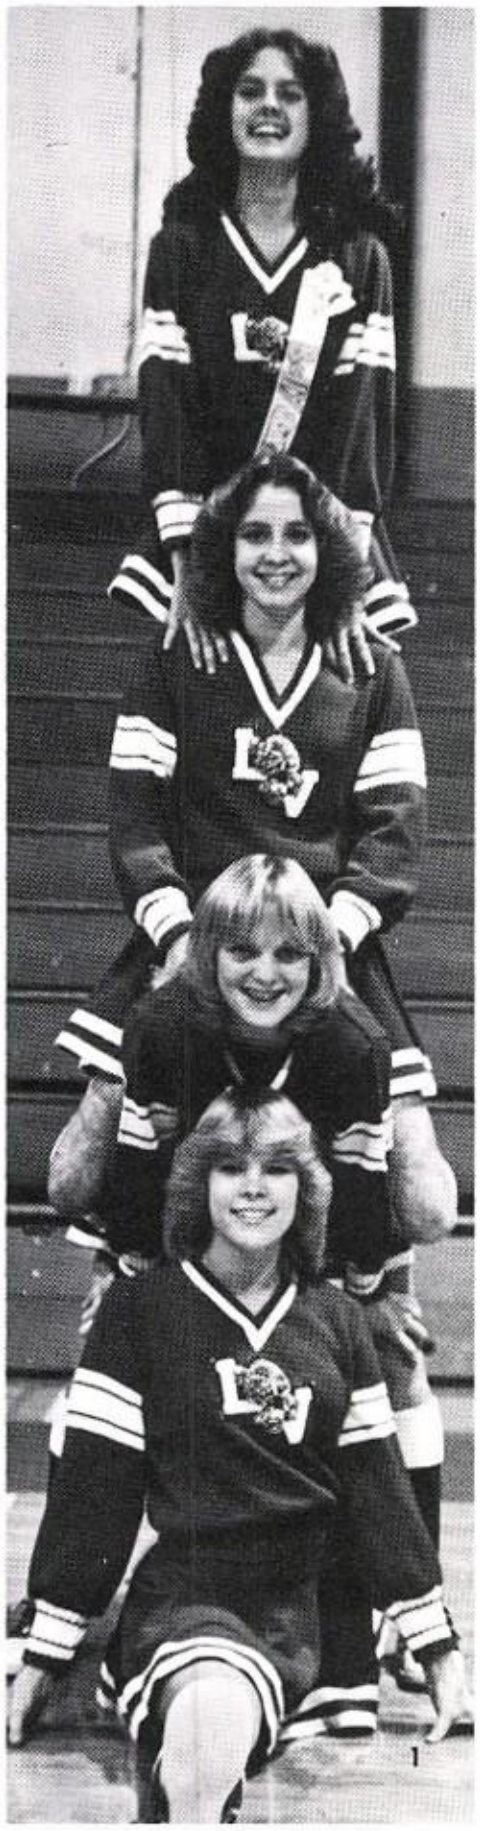
JV Frosh Cheerleaders Build Spirit

The Junior Varsity cheerleaders were responsible for learning not only their own yells but the Chiefette cheers as well. They were required to yell at both Varsity and Junior Varsity games.

The freshman cheerleaders weren't required to yell at Varsity games, but showed their spirit by backing the freshman teams on the field and the Varsity in the stands.



PAGE 194: 1. Varsity cheerleaders build a stand at Lake View stadium.
2. Terri Holster, senior, poses for the camera.
3. Stacy Baker, junior, seems to be saying, "Betcha can't catch me!"
4. "Sitting pretty" is Lavonne Cauley, senior.
5. Jeanine Cahill, sophomore, relaxes.
6. Ramona West, senior, gazes off.
7. Angie Williams, junior, appears to be entranced.

Chiefettes on the Move

The Lake View Chiefettes have been an active organization all year. They have been busy selling booster cards, tumblers, keychains, and pom-pons in order to raise money for out-of-town football trips and other activities.

The Mascots are also members of the Chiefettes. Sandra Pyburn and Karen Barnett promote spirit among the students, as do the Chiefettes.

Work, fun, and excitement . . . that's what the Chiefettes mean.

Is there life after high school?

Is there life
after high school?
"Congratulations," they said. "This isn't the end . . . it's just the beginning." They've said it a thousand times at a thousand graduations. While many young people just like you sat there thinking, "Where do I go from here?"

Where do you go for challenge? And opportunity?

Go Navy.

If you qualify, you'll get some of the best training available in highly skilled job fields. From aviation mechanics to linguistics.

And you'll live a little, too. Travel. Work hard. Even swab some decks.

Get all the facts. Call us toll-free, anytime at 800-841-8000. Or talk to your local Navy recruiter.

A good job. And a good life. The Navy: It's a good deal.
